

**TECEfloor industry heating circuit manifold pre-flow/return-flow set**

Article number: 77390116

Version: 2 heating circuits

DU 1: 1 pc.

DU 2: 120 pc.

Description:

Industry heating circuit manifold module, 2-20 heating circuits can be added modularly, O-ring sealing, pre-flow segment with flow rate metre 4-20 l/ min., return segment with integrated valve. For connecting the TECEfloor PE-RT 5S pipes 25 x 2.5 mm using the TECEfloor connection adapter.

Sales data:

Product name: TECEfloor industrial heating circuit manifold VL/RL set, 2 heating circuits, with universal connection
Commodity group: 770
Product group: 1007700030
